

Sure Start Community & Nursery

Commissioned by the government agency, National Children's Homes, Greendale was awarded the contract to construct a robust Sure Start Community Centre and nursery to bring much needed modern facilities to the community of north Bournemouth.

Created with an open plan feel, the single storey building sits under a pitched roof with lead look-alike single ply covering. Internal facilities include a café area, meeting rooms and nursery.

Employer	Sure Start
Architects	DLM Design
Surveyors	Peter Rathbone & Partners

Children's Centre at Rossmore Campus

This new build children's centre incorporates laminated timber beams to create clear span activity areas, and incorporates curved design features, seamless moulded fascias and gutters. Greendale completed the project by building an attractive garden and play area for the children.

Employer	Borough of Poole
Architects	Davison Mondon Associates Ltd
Surveyors	Borough of Poole Property Services
Value	£425,000
